AMS Bekins takes home national honor

Local moving company earns distinctive van line award for hauling household goods

Burlingame, CA — The Federal Motor Carrier Safety Administration (FMCSA) continues to legislate for safer conditions on U.S. roads, something Bekins Van Lines – winner of the 2022 Fleet Safety Award in the Over 10 Million Miles category – works hard to support. **AMS Bekins** represents a big part of those more than 10 million safe miles, enough to earn Bekins Van Lines' 2022 Bronze Hauling Award.

Bekins Van Lines is the fourth largest household goods carrier in the United States, and AMS Bekins – alongside more than 350 agencies nationwide – partners with the van line for all interstate moves. Bekins' hauling award program recognizes agencies within the network who transport the goods of customers moving into or out of California over the course of the year. The volume figures used for the various award levels are a summation of transportation revenues for those customers moved.

"We're proud of receiving the 2022 Fleet Safety award on behalf of our drivers and agencies, who do a lot of work day in and day out to make sure our roads are safe," said **Mark Kirschner, CEO of Bekins Van Lines**. "AMS Bekins is a key partner that allows Wheaton's customers to enjoy great service."

AMS Bekins is one of just 13 Bekins agencies to achieve the Bronze Hauling Award in 2022.

AMS Bekins can be found at 1873 Rollins Road, Burlingame, CA 94010 or <https://bekinsmovingservices.com/>
